

PATCHOGUE FISHING CLUB REGULAR MEETING MINUTES

Date: **February 22, 2007**

Meeting called to order by President at: **8:18 p.m.**

After the pledge, the following committee reports were discussed:

NOTE: Most committee reports were skipped since this meeting was considered an “informal” gathering focused on the indoor activity. Therefore, only limited discussions ensued for the individual committee reports.

OUTDOOR

Club members present at the meeting wanted to know when deposits for the November 3, 2007 blackfish tournament were going to be collected and how much. Jason Remien mentioned that he would look into it and get back to the club at the next meeting.

INDOOR

The club held a brainstorming event that was very successful. Members shared ideas about what they like and don't like or would like to change about the club. Details on the results of this indoor event will be summarized in future newsletters. **See pages 4-6 for summary**
