February 2006 Newsletter

I hope everyone survived the blizzard of '06 with little or no hardship. With such mild weather and the rapid melting, it's hard to believe it happened just days ago. It was a good reminder of why we decided to make the Annual Dinner Dance a little later in the season.

Now that February is more than half over, we can begin to look forward to the fishing season and some great tournaments. It's never too early to get started though and Carl has received a couple of weigh slips already. Tom Wasilewicz managed to catch a brown trout and Leo, who is down in Florida, caught a terrific sailfish.

Jason has a couple of guest speakers lined up for the March and April meetings. Please contact him if you have any ideas for the May and June meetings.

NEXT REGULAR CLUB MEETING WILL BE HELD ON:

February 23, 2006

Where: Blue Point Cottage

Time: 8:00 p.m.

Coffee and donuts will be served.

Scales

Indoor by Jason Remien

February

This month we will have Ken from Eagle Enterprises speak to the club. Ken specializes in hand painted fish mounts, trophies and commemorative plaques, plus handcrafted animals and decorative wood products. I'm sure he will have plenty of examples of his great work to view and will be more than happy to share some information on getting your next trophy fish mounted on the wall.

March

I'm happy to announce that Custom rod builder, Al Goldberg, will be our indoor speaker at the March 23 meeting. This year Al will focus on buck tailing for Fluke in shallow water. Al will once again be donating a boat rod to the club at the meeting. To go along with his presentation, he will be making a buck tail rod for the raffle. Raffle tickets will only be sold during the March meeting (\$10/ticket). A drawing will be made at the end of the meeting and one lucky winner will take home one of Al Goldberg's custom built rods. Money made from the raffle will be donated to the "Send a Kid Fishing" Fund.

NOTE: Please make an effort to get to the meeting on time as I would like to give Al Goldberg as much time as possible to share his fishing experiences with us. Thank you!! -Jason

Blackfish Trip by Jason Remien

Everything is set for our annual blackfish trip on the Celtic Quest! I booked the entire boat for the Patchogue Fishing Club on Saturday, October 28, 2006. Don't forget, Captain Desmond O'Sullivan purchased a bigger, faster and just all around better boat last year (see below). We had a GREAT tournament on the new boat last year and there was plenty of large blackfish for everyone that day!

I would like to fill the entire boat with PFC members and their family/friends so please let me know ASAP if you are interested. As usual, I will start collecting a \$40 non-refundable deposit at the February meeting. Please don't wait till the last minute. I would like to send a deposit after the March meeting.

Conservation

Jim will continue his outstanding reporting on conservation and will keep us up-to-date on everything throughout the year.

Picnic & Casting

Jason will be secure a date very soon.
