September 2006 Newsletter

Wow! Where did the time go? I hope everyone had a wonderful summer. It's hard to believe that we're entering the final season of the year already. Now we can look forward to some great surf fishing and maybe some big cod as well.

I hope everyone enjoyed the George Dietz Annual Picnic as much as I did. It's always good to see the members and their families spending a pleasant day together. Jason and Debbie did a fabulous job running the event again. I know they say they get a lot of help but it's through their efforts that it all comes together so well. All their hard work is greatly appreciated. I believe it's the highlight of the year. The Jim Belmonte Casting Tournament is also a terrific outing and thanks to George Remien and all his helpers, it was a great success again this year.

We don't have a guest speaker scheduled for this meeting because we usually need a little extra time to catch up on business. The Board of Directors has been working very hard to come up with some ways to revitalize the club. Many recommendations are going to be presented and discussed at the September meeting. Major changes are anticipated. Please make every effort to attend so that you can participate in this process.

NEXT REGULAR CLUB MEETING WILL BE HELD ON:

September 28, 2006

Where: Blue Point Cottage

Time: 8:00 p.m.

Coffee and donuts will be served.

Outdoor

My son-in-law Matt Werner and I went down to Islamorada in the Florida Keys this week to catch some big mahi-mahi and the fish cooperated. It was actually a great few days of fishing and the weather was a lot cooler in Florida than it was on Long Island. My fish (old guy with blue shirt) was a 36 1/2 bull dolphin and Matt's was almost 28 pounds. The boat was the "Sachem" out of Islamorada and the captain was the hardest working skipper I ever chartered with. His name is Bill Bassett and you can call him at 305-522-4762. I highly recommend him.
