### President's Message

Happy New Year everyone! I would like to take a few moments to welcome all of you to the year 2007. It is with confidence and hopeful optimism that I assume my position as President of the Patchogue Fishing Club. I hope to serve all of our members faithfully and with integrity. First, I would like to give a quick introduction about myself. I joined this fine club of sportsmen during the general meeting in September 2003 and have not looked back since. For the past three years, I have served as Conservation Chairperson and in the past two years, I performed the duties of Recording Secretary as well. I now look forward to filling the role of President this year. I first began fishing in 1966 at six years old when my father and Uncle Johnny (actually my next-door neighbor) took my brother and me to Shinnecock Cannel for some Cain pole Snapper fishing. We had a blast and I have been hooked (excuse the pun) ever since. Throughout the past 40 years, I have caught just about every species of fish that is available on our shores.

Conservation of our natural resources has always been important to me. "Catch and Release" is a practice that I have followed religiously for many years. To me, if you enjoy the pursuit and catching of fish and then release them, there is a chance you can continue to enjoy that experience for years to come. There is a famous quote from Lefty Kerhn pertaining to "Catch and Release." When Lefty was questioned why he would always "Catch and Release", he answered, "You don't throw away your golf balls after each swing do you". That philosophy leads me into our topic of discussion. I speak of the troubling news that everyone seems to be talking about; the new 2007 Fluke harvest quota. As it stands right now, we will be taking a very big hit regarding the 2007 Fluke regulations. It was voted on and passed back in December by the MASFC to allow 12.98 million pounds for the harvest of Fluke in 2007 of which we, the recreational anglers would receive only 40% (5.192 million pounds). We may be asked to take an even bigger cut because it is being alleged that New York over fished Fluke again by 40% in 2006. This would mean that the recreational angler would again, be asked to take further reductions in our fluke quota for this coming year as a penalty.

There was a brief hope that the MASMFC would accept a second larger quota in March, which would be 17.11 million pounds. This would almost certainly bring strong reprisals from the NMFS, who threatened closing the 2007 Fluke season in federal controlled waters, and revoking federal fishing permits of those party and charter boats that tried catching Fluke in state controlled waters. The NMFS is

being pressured with lawsuits (by certain environmental groups) to cut the quotas and to rebuild the fish stock by the year 2010. What does this all mean; we could be looking at a severely shortened open season, a one fish per bag limit, and a minimum size of 19.5". This would hurt the party boat and charter boat community the most but if we choose to take the long term view of this situation we can take solace in the fact that there could still be fish for our children and grandchildren to catch in the future. If we as a club practice "Catch and Release" this season, we can still enjoy our sport while trying to rebuild our dwindling resources simultaneously. ...James Smith

## Committee Reports

### Indoor

Jason is lining up a few guest speakers for this year. We're hoping to get Al Goldberg to do another presentation at one of the meetings. Jason would like some suggestions. Some of our best speakers have been members who are willing to share their expertise and experiences. Please consider volunteering.

### Scales

Bill will be ready to start calibrating your scales at the January meeting.

### Good & Welfare

Jim Belmonte spent some time in the hospital just before the holidays. He is home now and doing better. Speedy recovery, Jim!

### Conservation

Jim will continue his outstanding reporting on conservation and will keep us up-to-date on everything throughout the year.

### **Fish of the Month**

The winner for December is Pete Cilento with a 20 lb. striped bass. Nice going, Pete! There was no junior winner.

### **Jackets**

Ron has done a terrific job on this committee and is always working on offering new merchandise and alternative designs. We will keep you posted.

### **Historian**

John is continuing on as the club's historian. He does an outstanding job keeping our photo albums up-to-date and in fine order. If you have pictures, articles and other material of historical interest to the club, please pass it on to him for inclusion. The albums are often available for viewing at the meetings, so please take the time to browse through them.

### **Prizes**

George Remien is requesting the return of all annual trophies ASAP. He needs time to have all the engraving for this year's winners. Please bring them to the January meeting or make arrangements with George.

### **150 Club**

Don Schaefer did a great job the last couple of years and will continue distributing tickets this year. Each adult member must buy or sell two tickets but anyone wishing to sell extra can get them from Don.

### **2007 Dinner**

The Annual Dinner Dance will be held March 17<sup>th</sup> at the Sunset Harbour. We are hoping to change the menu somewhat and we will have a new DJ this year. As always, a cocktail hour will be included. In an effort to cut costs, there will be a cash bar the rest of the evening.

## Dues

Carl will begin collecting dues at the January meeting.

This year we will be collecting dues and the obligatory 150 tickets together. So be prepared to pay for both. Dues are due as of January 1<sup>st</sup>. So if you want to avoid being considered “not in good standing” you have to pay before or at the April Meeting. Here are the rates for 2007:

Adult Member + two 150 Club Tickets .....	\$80.00
Senior Member + two 150 Club Tickets .....	\$65.00
Spouse + two 150 Club Tickets .....	\$60.00
Life + two 150 Club Tickets.....	\$20.00
Junior Member .....	\$25.00

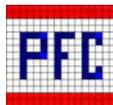

Additional 150 Club tickets will be available.

Junior members are not obliged to purchase 150 Club tickets.

## Newsletter

This year, again, anyone who has internet access will receive their newsletter electronically. We have done this in an effort to save money and time. Anyone without internet access will receive their newsletter in the mail. If you have any problems with the electronic delivery please call Carl at 289-6934. He will be happy to help you.

## Website

Since we are no longer reading the minutes during the meetings, look for them on the website: [www.pfc1938.com](http://www.pfc1938.com).

## January Birthdays

16 <sup>th</sup>	Guy LeLaidier
26 <sup>th</sup>	John Tighe
27 <sup>th</sup>	Matt Pfister

Happy Birthday to all the members who were born in January!

## Outdoor

Tom Ganetis presented a tentative tournament schedule for 2007 at the January Director's meeting. We will be discussing this proposal at the Regular meeting. The total number of tournaments and associated prizes (including amounts) will depend on 2007 budget. Please look it over before then.
