In Memory of George E. Dietz

George had a unique way about him. He was able to inspire those around him whether it was family or friends to partake in one of the simplest pleasures in life...Fishing.

He loved every aspect of the sport...the comradery, the competition, and most of all...the Patchogue Fishing Club.

He loved everything about the club...meetings, tournaments, annual dinner dance, picnic and even ladies night. You would never have to ask for his help...he would help in any way he could throughout the 70 years he dedicated to the club.

We all have a tale to tell about fishing with George, or as most of us prefer to call him..."Mr. Patchogue Fishing Club"...George had plenty and guess what...they were all true!

You can tell a lot about a man by the people that shared in his life...we can all consider ourselves blessed to have had him in our lives.

In this time of mourning let us remember a lifetime of dedication. The PFC will truly miss this golden member.

Thanks a Million George!
