Scales

If you have not had your scales calibrated yet, please make sure you bring your scales with you to the May meeting. This will be the last time that Bill Rockwell will be calibrating scales at a meeting in 2013. After Thursday, you will have to make separate arrangements with Bill Rockwell to have them checked. Remember...all fish must be weighed in on a calibrated scale. If not your own, go to your nearest bait and tackle store.

Fish of the Month

There were no fish-of-the-month winners in January, February, or March but the weigh slips are starting to pour in! Fish-of-the-month winner for April is Greg Maynard with a 1 pound, 14 ounce flounder. Congratulations Greg!

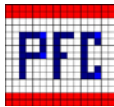

“100 Club”

We have about 20 tickets left to sell. If you have not done so already, please purchase or sell your two obligatory “100 club” tickets. If you would like more, please let Carl know, he’ll be happy to give you some to sell.

Newsletter

We will continue to send out the newsletter electronically in 2013. This is the preferred method of distribution. However, anyone without internet access will receive their newsletter in the mail. If you have any problems with the electronic delivery please call Carl at 289-6934. He will be happy to help you.
